Two new pamphlets on the Presence of Christ in the Eucharist written by the U.S. Catholic Bishops:

As successors of the Apostles and teachers of the Church, the bishops have the duty to hand on what God has revealed to them and to encourage all members of the Church to deepen their understanding of the mystery and gift of the Eucharist. In order to foster such a deepening of faith, we have prepared the first text, **The Real Presence of Jesus Christ in the Sacrament of the Eucharist** to respond to fifteen questions that commonly arise with regard to the Real Presence of Christ in the Eucharist. **Happy Are Those Who Are Called to His Supper** is a series of questions and answers stating what the Church believes and teaches concerning the Eucharist and the reception of Holy Communion, who can receive and they recommend some practices that every Catholic can use for preparing to receive Holy Communion. These pamphlets are available in the parish office for \$2.

Compendium of the Catechism of the Catholic Church: is a summary of the Catechism, focusing on the key elements of the Catholic Faith. It is not meant to replace the Catechism but to help make the Catholic Faith as accessible as possible for the next generation of the Faithful. It is available in the Parish office for \$12.

United States Catholic Catechism for Adults: is a unique and groundbreaking guide for those who seek to deepen their Catholic faith. Each chapter starts with a story or lesson of faith which are then related to Catholic teachings, the Catechism and to American culture. They are available at the Parish office for \$20.

Diocesan History Books: The diocese has put together a beautiful hardcover book featuring the history of the diocese and its parishes. The books are available in the parish office. The cost is \$25.
