

From the Pastor's Desk

May 23, 2010

As we come to the end of the Easter season and the academic year, we have much to celebrate: 91 of our youth and adults were confirmed by Bishop Weigand on March 26 and 27, 21 adults and children were fully initiated into the Church at the Easter Vigil and 99 children made their First Communion on May 15 and 22. Also, this Friday, May 28, 18 young men and women will graduate from 8th Grade at Notre Dame School. As we give thanks to God for His continual providential care of our parish, we can pray that each of us grow in God's grace more and more every day.

As our parish is growing spiritually, so too is it improving physically. The new air conditioner and heating system is almost complete. This large project was started on April 2. It is a major overhaul of the old system and promises to be a big improvement. I am grateful to the anonymous donor who gave \$20,000 towards this project and for all of your generous donations to the building fund which is making this \$50,000 project possible. Also, I thank Lugenbeel Mechanical for doing all the hard work!

This Pentecost, we pray that God send us the Holy Spirit to continually renew, inspire and encourage us in the practice of the faith!

Yours in Christ,
Father Berg
