God, Sex and the Meaning of Life

Join us on **Thursday evening, Dec. 7 from 7-9 p.m.** with best-selling author and internationally known speaker **Christopher West**, to explore Pope St. John Paul II's **Theology of the Body!** Christopher will speak on **God, Sex, and the Meaning of Life** to help us explore the truth that our deepest desires of body and soul are meant to lead us to the infinite, to God!

- Discover why as human beings we feel this universal "ache" for something more.
- Learn what the very design of our bodies as male and female tell us about God.
- Find out how we are created for bliss and why our hearts know this somehow!

PICK OF THE WEEK ANIMA

What's the Meaning of Life?

We are all longing for a sense of greater meaning in our lives. In this beautiful 3-part video series, Bishop Donald Hying leads us through an inspiring account of how God's plan for the world endows every person with extraordinary dignity and purpose.

Adoration Chapel

There is something you can do to save the world! Pray. We are the body of Christ what we do for ourselves we do for all, the bad and the good. We are all sinners and have been called to make reparation, in doing so we also help those that have passed before us. Let us all joyfully go before the Lord in the Most Blessed Sacrament and offer ourselves in prayer for the healing of all souls.

"Pray, pray very much, and make sacrifices for sinners; for many souls go to hell, because there are none to sacrifice themselves and pray for them."

Our Lady of Fatima to Lucia.

The Rite of Christian Initiation of Adults

✧ RCIA NEWS ✧

What is RCIA?

The Rite of Christian Initiation of Adults (RCIA) is the process established by the universal Church for individuals to become Catholic and receive the sacraments of initiation- Baptism, Confirmation, and the Eucharist. This initiation process also involves a parish community experiencing a renewal of faith as it prepares and welcomes new members into the Church. The Rite speaks of conversion as a "spiritual journey." Centered on fostering a deep relationship with Jesus and the Church He founded, this journey takes place through distinct stages over a period of time suitable to bring about a thorough catechesis, significant experience of the parish community, and commitment to the liturgical and moral life of the Catholic faithful. The RCIA process is a restoration of the ancient catechumenate, arising within the first three centuries following the era of the apostles. The Second Vatican Council called for the restoration and use of this venerable and powerful method of initiation for the worldwide Church.
